***"We must fight terrorism as if there's no peace process and work to achieve peace as if there's no terror."***

The theme "United Against Terrorism" underscores the global need for unity and cooperation in the fight against terrorism. In today's interconnected world, no country is immune to the threats posed by terrorism, making it imperative for nations to work together to combat this menace. This theme set the tone for our educational activities, aiming to instill in students the importance of international collaboration against terrorism.

United Nations Organization

To further educate and inspire our students about the critical role of the United Nations, a documentary on the United Nations Organization was shown to the Class 5 students in **the best school in Noida**. The documentary provided a comprehensive overview of the UNO's history, its organizational structure, and its significant contributions to global peacekeeping, humanitarian aid, and development.

Exploring UN Organization  
through Documentary

Following the documentary, a quiz focusing on the United Nations Organization was conducted for the Class 5 students on the 8th of May 2024. The quiz was designed to assess and deepen the students' knowledge about the UNO. It featured a mix of multiple choice questions and one-word answer questions, covering a range of topics from the formation and functions of the United Nations to the specific roles of its various agencies. The students participated enthusiastically, demonstrating a keen interest in the subject matter.

Promoting Global Unity Through Quiz

In conclusion, the theme "United against Terrorism" provided a meaningful context for our educational activities, emphasizing the importance of global unity making it one of **the top ten CBSE schools in Noida**. The documentary on the United Nations and the subsequent quiz for Class 5 were both successful in enhancing the students' knowledge and interest in international organizations and their roles in promoting global peace and security.
