

ANNUAL SUMMER CAMP/ COACHING SCHEDULE IN GAMES AND SPORT (2024-25)

Dear Parents,

The school will commence its summer vacation from **13 May 2024 for the Pre-Primary and Primary wing**, and from **18 May 2024 for Classes VI to VIII**. An exciting Summer Camp featuring a delightful array of engaging, creative, and sports activities, has been planned for the children to turn the summer break into a fun and enriching experience.

Seeing the tremendous response of our students enrolled in Summer Camps during yesteryears, we have planned many new innovative activities to add on to their skills and creativity. Summer Camp offers numerous benefits for young children. It allows them to stay physically active and mentally sharp while participating in a variety of activities that boost confidence, foster skills, and create a joyful learning environment.

The activities have been aligned with the recommendations of NEP 2020, ensuring holistic growth and comprehensive development for our students, instilling creativity, communication, observation and curiosity.
