

STRUCTURED ASSESSMENT FOR ANALYZING LEARNING LEVELS (SAFAL)
(APPLICABLE TO CLASSES VI & IX)

Dear Parent,

NEP 2020 recommends transforming the assessment system to promote development of students and suggests a shift from testing rote memorization to competency-based learning. To map progress throughout school years, the NEP 2020 has proposed a school examination for all students in Grades V, and VIII. This assessment will focus on testing core concepts, application of knowledge and higher order thinking skills.

Structured Assessment for Analyzing Learning levels (SAFAL) will ensure progress throughout school years by providing diagnostic information about students' learning to schools and thus, support school education to move towards competency-based education. The results of this assessment will largely be used to provide development feedback to schools and not for promotion of students to the next grade.

CBSE has shortlisted Bal Bharati Public School, Noida to participate in Pilot testing of SAFAL that will be conducted for the students of Classes V and VIII (2023-24). The assessment will be competency based as per the NCERT syllabus of English, Maths and Science. The test will be conducted Online in the month of July.

We request you to support your ward in their preparation for this assessment on a serious note.

Please ensure that the practice assignments given in the Summer Holiday Home Work are attempted by your child religiously.

Teachers will also be conducting review sessions to help students revise key concepts from their previous classes in the month of July.

LET US COLLECTIVELY CONTRIBUTE TO THE HOLISTIC DEVELOPMENT OF OUR STUDENTS THROUGH THIS INITIATIVE.

Asha Prabhakar
(Principal)
