

'ECOTOPIA'

FROM THE DESK OF ENVIRONMENT CLUB

Ecotopia, an event promoting harmony between the environment and humanity, was held for students from third to eighth grade on May 7th and 8th, 2024. Its aim was to raise awareness about protecting our beautiful planet, Mother Earth. It provided a platform for sharing knowledge and wisdom about environmental issues and solutions through simple and creative activities like gamification, advertisement presentation, ecofriendly way of packaging, the magic of 3 R's and making of green book marks for Sustainable future. Class III&IV students demonstrated how everyday items could be transformed into innovative, sustainable creations. made items from recyclable materials. Class V Students crafted bookmarks using eco-friendly materials, adorned with delicate flower petals and verdant leaves. Students from VI and VII grade enjoyed packaging items with eco-friendly materials and presenting advertisements for organic products. VIII students showcased their creativity by preparing Green card boardgames which were the highlight of the event. Through this creative endeavour, students not only expressed their dedication to conserving natural resources but also contributed profusely to preserving the timeless beauty of our planet for the posterity to cherish. From eco-friendly practices to indigenous wisdom, Ecotopia highlights ways to coexist with the planet in a harmonious and sustainable way. Events like Ecotopia are essential for raising awareness, fostering environmental stewardship, and building a more sustainable future for our planet. The platform motivated students to make informed choices and advocate for positive change.

'ECOTOPIA'
CELEBRATING MOTHER EARTH AND ENVIRONMENT

"The greatest threat to our planet is the belief that someone else will save it."
—Robert Swan

Welcome to Ecotopia, a celebration of our planet and the environment! In this event, we come together to honour Mother Earth, promote environmental awareness, and inspire action for a sustainable future. Through engaging activities and creative initiatives, Ecotopia encourages everyone to play a role in conserving our precious natural resources and preserving the beauty of our planet for generations to come. Together we can create a definite positive change if we live and work in harmony to strengthen the bonds between education and holistic development.

Let's come together to be Eco-Conscious citizens!

Following Events are to be organized on 7th & 8th May, 2024 in respective classes on the scheduled dates.
