

## *Embracing Tomorrow: Innovating for a sustainable future*

*Achieving technical brilliance*

Bal Bharati Public School, Noida organized the Annual Tech event OxamiteV3.0 on 13<sup>th</sup> and 14<sup>th</sup> May 2024. The theme of the techfiesta was 'Future Trends and Sustainability' which gave the participants an opportunity for students to achieve technological brilliance and showcase their talent in the field of emerging technology. The opening ceremony began with the lighting of the ceremonial lamp. More than 20 schools participated in the online and offline events which comprised of Digital Avtaar Designing, Film Fusion and Tech Tank.

The technical inter-school event was a resounding success, showcasing creativity and boundless potential. Participants exhibited their prowess by captivating the audience with their ingenuity. The atmosphere was filled with the buzz of excitement and intellectual curiosity. The esteemed panel of judges, comprising Mr. Priyam Saxena, Dr. Shalini Gautam, Ms. Pooja Upadhyay, and Dr. Vikas Vijay, were immensely impressed by the students' innovative skills and technical expertise, underscoring the importance of nurturing young

*Debate it out with logical reasoning*

minds in the field of technology. The event fostered a spirit of healthy competition and collaboration among participants, highlighting the importance of technical reasoning. Overall, it was a remarkable display of talent and passion for technical reflection in the academic realm.

The winners basked in the glow of their hard-earned success, a testament to their diligence and commitment to achieving greatness in the realm of technology.

OxamiteV3.0 was not just an event; it was a celebration of the limitless possibilities that lie ahead in the ever-evolving landscape of technology and innovation.

*Ambition is the path to success*
