'WILD WISDOM GLOBAL CHALLENGE - WWGC 2024'
REPTILES "THE ULTIMATE SCALY SURVIVALISTS"

"Reptiles are a treasure trove of biodiversity, a reminder of the beauty and complexity of life on Earth. Let's keep them safe."

- Dr. Thomas Rainwater

Dear Parent,

We are excited to inform you that WWF-India has launched the "Wild Wisdom Global Challenge 2024" with the theme "The Ultimate Scaly Survivalists" focusing on reptiles. This initiative aims to explore the diversity of reptiles, dispel myths and misconceptions, and discover their fascinating characteristics and adaptations.

Students from Classes VI to IX are eligible to participate in this challenge, which is free of registration fees. The program details are available at <http://academy.wwfindia.org/wildwisdom/>.

First level of the global challenge is School level Quiz for which names have to be given through a diary entry by Parents to the respective Science Teachers by 22 July, 2024. Winners will get a chance to participate in State level followed by National and International level Quiz.

We encourage our students to participate in this unique opportunity to learn about reptiles and develop their knowledge and skills. Please note that participation is voluntary.

For any queries or clarifications, please feel free to contact Ms Vidhi Oberoi, TGT (Biology).

Let's embrace this exciting challenge and explore the fascinating world of reptiles!!
