

WORLD HEPATITIS DAY: JULY 28, 2024

World Hepatitis Day (WHD) occurs annually on 28 July, uniting the globe under a single theme to raise awareness of the worldwide burden of viral hepatitis and drive tangible change. This year’s theme is “**Its Time for Action**”. With the person dying very 30 seconds from a hepatitis – related illness, we must accelerate action on better prevention, diagnosis and treatment to save lives and improve health outcomes.

The World Hepatitis Summit (WHS) 2024 took place from 9-11 April, 2024 in Lisbon, Portugal, organized by the World Hepatitis Alliance (WHA) and co-sponsored by the World Health Organization (WHO), with support from the Ministry of Health of Portugal. The attendees stressed the urgency of the situation and called on all stakeholders to unite in making the elimination of viral hepatitis by 2030 a reality.

The details of the program to be conducted on 29 July, 2024 are mentioned below.

S. NO	ACTIVITY	DATE OF THE ACTIVITY	TEACHER IN CHARGE
1.	<p>Class I-II: Student Health Promotion Initiative: A short video will be shown in each classroom to promote healthy habits and encourage students to make positive lifestyle choices. The video will be shown by the class teachers in their respective classes. They will then facilitate a discussion about hepatitis with their students. https://youtu.be/vqvSG9hqGUs?si=URI3aKzmV6u3ZE5t</p> <p>Following this, there shall be Germ Buster Coloring Contest: Children shall color the posters related to hygiene practices. They can print the pages at home and share their creations with their respective class teachers. They are free to choose specific hygiene practices as themes for the colouring pages.
