

**TREE PLANTATION DRIVE ON THE OCCASION  
OF INDEPENDENCE DAY UNDER "EK PED MA KE NAAM" INITIATIVE**

On the occasion of the 78th Independence Day, under the aegis of the "**Ek Ped Ma Ke Naam**" initiative, the Environment Club of the school organized a tree plantation drive aimed at promoting environmental conservation. This event was inaugurated with great enthusiasm, marking a significant step towards building a greener future.

The event was graced by esteemed guests,

- Mr. Manish Kumar, IAS, District Magistrate
- Mr. Anil Singh, Convenor, JAL PRAHARI
- Mr. Ameya Sathaye, Editor, SarkariTel.com
- Mr. Shantanu Adkar, Advocate, Supreme Court

Their presence inspired both students and teachers alike, adding to the significance of this green initiative.

On this occasion, the school's Principal, Mrs. Asha Prabhakar, had the honor of felicitating the District Magistrate with a green plant as a symbol of the school's dedication to environmental conservation. She reaffirmed the school's unwavering commitment to advancing efforts in conserving nature and preserving water, emphasizing the importance of continuing these initiatives to ensure a sustainable future for all.

The District Magistrate engaged with the children, who shared inspiring stories of communities taking strong and vigilant steps to conserve nature. Their narratives highlighted real-life examples of collective action and environmental stewardship, leaving the entire gathering enthralled and deeply moved by the passion and commitment of these young advocates.

The "**Ek Ped Ma Ke Naam**" initiative helped the students to understand the impact of their actions on the environment, and instilled a sense of responsibility towards the environment and commitment to protecting nature. Educating the children about the benefits of greenery, such as cleaner air, reduced carbon footprint, and enhanced biodiversity, empowered them to become active contributors to a healthier, greener world.

This event stands as a testament to the school's dedication to environmental conservation and its commitment to nurturing responsible citizens who will carry forward the torch of sustainability.

The collective efforts of students, teachers, and the community will significantly contribute to the school's green initiative. The Environment Club will ensure continuous monitoring and care of the saplings, helping them grow into healthy trees that will benefit future generations.
