

REPORT
WORLD HEPATITIS DAY July 28, 2024

Date : 29.07.24
Classes : I to XI
Theme : World Hepatitis Day

"It is the health that is our real wealth, and not pieces of gold and silver."

-Mahatma Gandhi

At Bal Bharati Public School, Noida (the best school in Noida), Student Health Promotion Initiatives are meticulously designed to inculcate a profound appreciation for health and hygiene among students. The cornerstone of the program comprised the screening of informative videos, followed by stimulating classroom discussions centred on the critical issue of hepatitis. To augment learning and inspire creativity, a Germ Buster Colouring Contest was implemented.

In alignment with the philosophy- A sound mind resides in a sound body, the initiative endeavoured to empower students with knowledge and tools to safeguard their well-being. Through a multi-faceted approach, encompassing visual media, interactive discussions, and artistic expression, the program aimed to cultivate a generation of health-conscious individuals.

Bal Bharati Public School, one of the best CBSE schools in Noida, observed World Hepatitis Day on July 28, 2024, aligning with the global theme, "It's Time for Action." To raise awareness and promote prevention, the school implemented a comprehensive program targeting students across all grades.

Key Activities:

- **Early Years (Classes I-V):** Students engaged in interactive sessions focused on health and hygiene. Video screenings and discussions on hepatitis were followed by creative activities like coloring contests to reinforce key messages.

- **Middle School (Classes VI-VIII):** Students participated in creative expression exercises, composing songs, jingles, and slogans related to hepatitis prevention.
- **High School (Classes IX-XI):** Peer-to-peer learning was emphasized through presentations by senior students on hepatitis awareness.

Impact: The program successfully enhanced students' knowledge about hepatitis and promoted healthy habits. By integrating interactive elements and creative outlets, the school fostered a comprehensive understanding of the disease and its prevention.

Conclusion: Bal Bharati Public School's World Hepatitis Day initiative effectively engaged students in learning about hepatitis prevention. The school remains committed to promoting health and well-being within the school community.
