

CRACK THE CODE

INTER HOUSE COMPETITION

Date: 19.04.2024

Venue: Physics Lab

Time: Bal Sabha periods

Classes involved: Class XI & XII

DESCRIPTION OF THE ACTIVITY

Crack the code is a Mathematical activity in which each team will be given a challenge to find **Two 7- place codes** with the help of given clues involving Mathematical calculations, Mathematical reasoning, Mathematical logics and the problems from the syllabus studied till XI.

RULES AND REGULATION

1. Each House to be represented by a team of two students, one each from XI and XII.
2. There will be two rounds for the activity Level One & Level Two.
3. Each team has to solve the problems in given time period and hence Crack The Code for each Level.

CRITERIA FOR JUDGEMENT

Judgement will be purely based on the marks secured in different rounds and accuracy of the code.
