

BAGLESS DAY

REPORT

Class: II

Date: 07/08/2024

The National Education Policy (NEP) 2020 emphasizes innovative and experiential learning methods, and Bagless Day aligns perfectly with this vision. By promoting Bagless Day, NEP encourages schools to adopt creative approaches to education, moving beyond traditional classroom settings. We provide students with a unique opportunity to learn through hands-on activities, creativity, and environmental awareness.

Bagless Day Activities – Class II

Bagging a difference: Students craft eco-friendly bags

On Bagless Day, our school community came together to promote environmental awareness and creativity through various activities, with a highlight being the making of newspaper bags. Students enthusiastically collected old newspapers and glue, learning to fold, cut, and glue them into sturdy, reusable bags. Through this initiative, we inspired a new generation of eco-conscious individuals, empowering them to make a positive impact on their surroundings inspiring a lifelong commitment to environmental stewardship.

Tying Up A Greener Future

Shin Activity: Cultivating self-awareness and serenity

Our school community embarked on a unique learning experience, exploring innovative activities that promoted mental growth and environmental awareness. One of the highlights was the Shin activity, a mindfulness-based exercise that focused on self-awareness, relaxation, and mental well-being. Students participated in guided meditation, cultivating a sense of calm and clarity. By integrating mindfulness, we inspired a new generation of leaders to thrive in harmony with themselves and the world around them. The students along with the teachers celebrated a unique blend of learning and fun, exploring innovative activities that promoted mental growth and environmental awareness.

Heel To Toe For A Sustainable Future

The caterpillar calendar: Students master Hindi days of the week

One of the creative highlights was learning the days of the week in Hindi using a caterpillar model, where students crafted a colourful caterpillar with seven segments, each representing a day of the week, labelled in Hindi. The students immersed in a dynamic learning experience, exploring innovative activities that promoted mental growth and environmental awareness.

Weekday Wisdom

Wordscapes: Exploring adjectives in our surroundings

One of the engaging highlights was the "Adjectives from the World Around You" activity, where students ventured out to observe and describe their surroundings using vivid adjectives, fostering their vocabulary and observation skills. They noted the vibrant colours of flowers, the intricate patterns on leaves, and the diverse textures of tree bark, compiling a rich tapestry of descriptive words.

Word Wanderers

Conclusion

The Bagless Day was a resounding success, offering students a unique and engaging learning experience. By incorporating innovative activities, we fostered mental growth, creativity, and environmental awareness, setting a benchmark for future events.
