**GUIDELINES ON PERSONAL APPEARANCE  
AND GROOMING FOR STUDENTS**

Dear Parents,

It has come to the attention of the school administration that there is an increasing trend among students to wear tattoos, use hair colour, and for boys to have ear piercings. While we understand the desire for self-expression, we would like to remind everyone of the school's guidelines regarding personal appearance.

Please be advised of the following rules that all students are expected to adhere to:

1. **Tattoos**: Students are not permitted to display tattoos while in school uniform or during any school-related activities.
2. **Hair Colour**: Hair colouring is not allowed. All students are required to maintain their natural hair colour to ensure a neat and uniform appearance.
3. **Ear Piercings (for Boys)**: Boys are advised against having ear piercings. However, exceptions will be made for religious purposes, provided that parents submit a written undertaking to the school.
4. **Multiple Ear Piercings (for Girls)**: Students are advised to avoid multiple ear piercings. While a single pair of earrings is allowed, additional piercings are discouraged to maintain uniformity and a professional appearance.
5. **Wearing Metal Kada**: Wearing metallic kadas is not allowed in school. If the kada has religious significance, please ensure it is lightweight/thin, as a heavy one might pose a risk of injury to others.

These guidelines are in place to promote discipline, uniformity, and a professional environment in the school. We believe that adherence to these rules will reflect positively on our student community and uphold the values of Bal Bharati Public School. Any deviations may lead to disciplinary action as per the school's code of conduct.
