BAL SABHA ACTIVITY (2025-26)
WEAR THE EARTH (Nature Crown Activity)

Date of the activity:23.04.25

Venue: Respective Classrooms

In-charges: Class teachers of class I & II

Introduction: On the occasion of International Earth Day, a creative and meaningful crown-making activity was organized during the Bal Sabha periods for the students of classes I and II. The event aimed to foster environmental awareness among students through hands-on expression and creativity.

Purpose:The primary objective of this activity was to engage students in understanding and appreciating the elements of nature. By designing a crown that symbolizes trees, water, sun, or flowers, children explore environmental themes in an artistic way. The activity encouraged creativity, instilled responsibility towards nature, and promoted team spirit and participation among all students.

Highlights of the activity:

Introduction to Earth Day and Nature-Inspired Creativity: The students were introduced to the importance of Earth Day and the significance of conserving nature. Teachers briefly discussed environmental elements and their importance before beginning the craft activity.

Building Communication SkillsEach student participated with enthusiasm, crafting unique crowns using pre-cut cardboard strips, theme-based images, and natural symbols. They shared their ideas, collaborated with peers, and showcased their thoughts artistically. The classroom buzzed with excitement and vibrant creativity as children displayed their nature-inspired crowns.

- All students brought crown cut-outs according to their head size along with decoration materials
- The top three entries from each section were shortlisted and the names submitted to the D section teachers for final judgment.
- The results were based on creativity, neatness, and relevance to the theme.
