

## **REPORT ON BAGLESS DAY, Class I**

**Date of the event:** 11/09/2024

**Venue:** In the respective classrooms

**Incharges:** Class Teachers of Class I

**Purpose:** The NEP encourages schools to embrace creative educational methods that extend beyond conventional classroom environments by introducing Bagless Day. This initiative offers students a distinctive chance to engage in hands-on activities, foster creativity, and develop environmental consciousness. Below is a detailed report of the activities that took place, in Bal Bharati Public School, the best CBSE school in Noida, each designed to inspire our young learners of class I.

### **Highlights of the Event:**

#### **1. Drawing About Our Favourite Games: "Artistry in Action"**

On the Bagless Day, students tapped into their artistic talents by creating vibrant drawings of their favourite games. By connecting visual art with vocabulary building, students enriched their language skills while forging meaningful connections with the sports they love. The excitement in the classroom was palpable as students shared their drawings and engaged in discussions about the games, enhancing both their social skills and creativity.

## 2. Season Fun: "Puppets of the Seasons"

Students prepared stick puppets representing various seasonal costumes. Each student presented their puppet to the class, explaining the significance of their chosen season and the associated attire. The joy of sharing their artistic creations fostered confidence and enhanced public speaking skills, making it a memorable and educational experience.

## 3. Rangoli/Scenery Using Shapes and Patterns: "Patterns of Imagination"

Guided by their teachers, students embarked on a colourful journey of creativity as they utilized shapes and patterns to create stunning rangoli designs or scenic artwork. This hands-on activity was filled with laughter and excitement, allowing students to explore their imagination while learning about geometry and design principles. The final pieces were a testament to their creativity, showcasing beautiful artwork that reflected their unique perspectives.

## 4. Picture Composition on the Topic: Our Neighbourhood: "A Glimpse of Home"

This enriching activity began with a read-aloud of the story "We Are Neighbours." Inspired by the tale, students drew scenes depicting their neighbourhoods, highlighting key places and landmarks. Accompanying their drawings, they wrote 3 to 4 sentences describing the significance of each place. This exercise boosted their vocabulary and fostered cognitive development as they thought critically about their environment and articulated their thoughts in written form.

##### **5. Bal Sabha Activity -Creative Bookmarks: "Stories That Spark Imagination"**

To further promote literacy and creativity, students created personalized bookmarks inspired by their favourite storybooks characters. This activity encouraged them to express their artistic flair while also cultivating a love for reading. The top three students from each section were recognized for their exceptional designs. This initiative enhanced artistic expression and reinforced the importance of literature in their lives.

**Conclusion:** The Bagless Day was a resounding success, allowing students to unleash their creativity while reinforcing essential skills in vocabulary, critical thinking, and public speaking. Through engaging activities that blended fun and education, students left the day feeling inspired and eager to continue exploring their artistic abilities. This initiative significantly contributed to our students' holistic development.
