NATIONAL ANALYTICAL BRAINS (NAB - 2024-25)

Dear Parents,

National Analytical Brains Event (NAB) 2024 is a platform for our children to showcase their mathematical and problem-solving skills.

During the last academic session 2023-24, 112 students from Pre Primary participated in this All India competition and achieved top ranks, including National Analytical Brain of the Year Award among many others.

The registrations for the academic year 2024-25 have begun and the school will be doing registration of students for this prestigious event. Participation in this online event will surely enhance our students' critical thinking, logical reasoning, mathematical ability, analytical thinking and problem solving skills.

The registration fee for enrolling your children for participation in the above event is Rs 195/. Interested parents are requested to pay the amount (Rs 195/-) to the respective class teachers latest by 9th September 2024. The money is to be sent in a sealed envelope, neatly stapled in the child's almanac.

Kindly note the event's details:

Date of the Event : 06 Oct, 2024
Topics Covered : Numbers, Addition, Subtraction, Logical Reasoning
Competition Mode : Online

Parents may log on to <https://analyticalbrains.com/nab2024/> for latest updates related to the event.

The class teachers and the teacher incharges (Ms Vibha Khurana and Ms Swati Chordia) will be conducting various sessions (online and offline), from time to time in order to give the students time bound practice of solving the sums and preparing for the event.

"Let's plant the seeds of curiosity and wonder in a child's mind, and watch their mathematical abilities bloom with the beauty of discovery and the power of early learning."
