ABOUT SANKALPNEETI

"SANKALPNEETI" is more than just political literacy, it's a platform for deep engagement with the democratic process by every individual as we believe in the famous saying of Malala Yousafzai "When the whole world is silent, even one voice becomes powerful."

By interacting with a heterogeneous groups of delegates, students will gain exposure to diverse opinions and communication styles. This dynamic environment envisions to foster confidence and clarity while offering a uniquely enriching journey.

This year the committee's agenda focuses on thought-provoking national issues, aiming to empower the youth to influence public policy and contribute meaningfully to a national discourse. The vision is to facilitate discussions on transformative ideas that transcend linguistic, religious and social barriers, shaping informed and active citizens.

The participants will not only forge lasting friendships and master persuasive negotiations but also delve into complex socio-political topics, articulating their views effectively and honing critical thinking skills.

We look forward to welcoming you for the much awaited Youth Parliament 'Sankalpneeti', to the portals of Bal Bharati Public School Noida.
