

Bal Bharati PUBLIC SCHOOL

Sector-21, Noida, G.B. Nagar

DATE: 09.10.2024

CLASS: Pre School & Pre Primary

VENUE: Respective Classrooms

LEARNING OBJECTIVES:

The child will be able to:-

- enhance creativity and fine motor skills.
- understand basic concepts of space and space exploration.
- relate to India's achievements in space through the story of Mission Mangal.

RULES AND REGULATIONS:

- It will be an individual activity.
- The facilitator will introduce the children to the significance of India's journey to Mars and Mission Mangal (Mangalyaan).
- The facilitator will show a model made using playdough and an image of the spacecraft Mangalyaan, explaining its mission and importance in a simplified manner for the children to understand.
- Each child will be provided with play dough to design and create their own imaginative spacecraft, enhancing their creativity and fine motor skills.
- The facilitator will discuss space exploration and the wonders of space, encouraging curiosity in children.
- The record of the activity will be maintained by the class teachers.
