

Wild Creations

Crafting Adorable Animal Head Accessories

Date: 25.09.24

Class: PS & PP

Venue: Respective Classrooms

Material Required: DIY Animal Headgear, Glue

Learning Objectives:

The child will be able to:

- ✓ develop eye-hand coordination and fine motor skills.
- ✓ practice listening and following step-by-step directions, enhancing his/her ability to complete tasks independently.
- ✓ enhance his/her problem-solving skills by figuring out how to put the pieces together correctly.
- ✓ boost self-confidence and develop a sense of pride in his/her work.
- ✓ enhance knowledge about different animals, promoting learning about wildlife in a fun and engaging way.

Rules & Regulations:

- It will be an individual activity.
- The facilitator will provide the DIY Animal Headgear kit to the children, included in the stationery set..
- The facilitator will guide the children step by step to assemble the cutouts given in the kit and prepare the animal head accessory.
- The children will be encouraged to wear their self created animal headgear and share their experience.
- All the children will be guided to perform the animal walk as per their respective animal headgear.
