**(FOR CLASS-I STUDENTS)**  
*“Smiling is fun when you have healthy teeth and gums”*

Dear Parents,

We are pleased to inform you that our school is organizing a **dental checkup** for all Class I students on 21 Oct, 2024 during the school hours. A qualified dentist from Kailash Hospital, Noida will be visiting our school to examine the dental health of your ward.

We kindly request your cooperation in ensuring that your child is present on the scheduled date. This checkup will help identify any potential dental issues at an early age and provide the necessary guidance for maintaining good oral health.
