

PRE PRIMARY DEPARTMENT PRE PRIMARY PRESENTATION (2024-25)

The Pre-Primary Class Presentation of Bal Bharati Public School, Noida, was held on 7th September 2024, focusing on the theme "Swasthya Bachpan" (Healthy Childhood). The event celebrated health and well-being, with each performance reflecting the holistic development concept of Panchakosha—the five layers of being: physical, vital energy, mind, intellect, and bliss.

The event opened with a graceful yoga routine by the children of PP A, set to the song "Bande Hai Hum Uske." This performance beautifully demonstrated how yoga strengthens both body and mind, reflecting the Pranamaya Kosha (vital energy).

Next, the students of PP B showcased a lively song and dance performance, emphasizing the importance of healthy eating and exercise. This act focused on the Annamaya Kosha (physical body), demonstrating how good nutrition and activity promote strength and vitality.

The children of PP C presented an energetic Zumba performance, highlighting how dance uplifts emotions and mental well-being, connecting with the Manomaya Kosha (mind and emotions). Their vibrant moves showcased the joy of staying fit through dance.

The cheerful song "I am so happy," performed by the students of PP D, spread joy and reinforced the importance of nurturing the Anandamaya Kosha (layer of inner happiness and bliss), reminding everyone of the value of a positive mindset.

The students of PP E then delivered a powerful aerobics routine to the song "Don't you worry... Everything's gonna be alright," illustrating how exercise not only strengthens the body but also reduces stress, balancing the Manomaya Kosha.

In a dynamic display of traditional games, the children of PP F emphasized the value of teamwork and physical activity. Their performance nurtured the Pranamaya Kosha by showcasing the importance of active play and energy in everyday life

TESTIMONIALS

Dear BBPS Noida team,
My child is Yuvaan Chaturvedi and studied in PP - A. His class teacher is Ms. Payal Chauhan mam.

On 7th Sep'24, school has arranged a program called "Swasth Bachpan" where all the pre primary and pre nursery students performed. It was a great program and very creative. All the performances were so informative about a good and healthy life. All students performed very well. It's a good start for our children where they can be more confident while performing in front of the large audience without any hesitation. I would like to thank all the teachers for their efforts which they put in the success of this program. My child learned a lot during the practice of this program. I would request the BBPS team to arrange more programs like this for the development of our children.

Regards, Yuvaan Chaturvedi PP - A

Good evening !!

This has reference to the recently held class presentation of my son Aadvik ,who is studying in class PP"B".

I wanted to take a moment to express my gratitude for the recent class event. It was truly a wonderful experience for both the students and parents alike. The effort and dedication put in by the teachers were evident in every detail, from the engaging activities to the seamless organization of the event.

The creativity and energy that the teachers brought to the event made it not only educational but also incredibly fun for the children. It's clear that the teachers are passionate about what they do, and it shows in how much the kids enjoyed the experience.

Additionally, I'd like to commend the school administration for their support and coordination. It's evident that there's a strong partnership between the teachers and administration, which contributes to the success of events like these.

Special thanks to the class teacher Nitika ma'am for giving Aadvik such a wonderful opportunity & would like this to be continued in future as well.

She had really taken the pain to make children learn the steps ,sharing videos and guiding parents to make their wards practice at home.

Thank you once again for all the hard work that went into making this event a memorable one for our children. We appreciate all that you do for our kids and the positive learning environment you provide.

Dear ma'am,

The performances of students during Swasth Bachpan program were breath taking. The Students performed really beautifully and confidently. The function was very well organized. Your support throughout the practice was amazing. Your enthusiasm, dedication and efforts were clearly seen in the Performance of Students. We can clearly see how much hard work, organising and coordinating must have gone between teachers and Students.

Thank you, Ma'am, for all the hard work you put behind kids.

With warm regards,

I am Nitya Lohia's mother student of PPA yesterday I attended their class presentation and children performed very well I must say it was an outstanding performance done by teacher and students, without Payal Maam it was incomplete performance because She's the one who did all the hardwork and students can't do anything without her, I really appreciate all the performance but my kids performance were bestest. I am a mother of twins and my both kids performed very well and outstanding I was not expecting that they did this much effort and it was an eye catching performance. And during performance my daughter enjoyed a lot and really it was a wonderful journey for my kids. Nitya loves Payal Maam a lot and she always followed all the instructions given by her and enjoyed her performance so much, I really love the performance of my kids.

Also Kuldeep Maam did her best performance and I love the performance which was done by my son Namish Lohia student of PPC and my son did outstanding performance. And all the children did very well without Kuldeep Ma'am's support it can't be accomplished and all the hardwork goes to Maam and his student's and during rehearsal my son enjoyed a lot and it was a beautiful journey for my kids.

Hope soon we see such type of performances again and again, and eagerly waiting for the performances done by my kids.....

Dear Sir / Madam,

First of all, a big thanks to all the Pre-Primary teachers for their extensive effort and support to each child to make them comfortable for the participation. I must say, this was great a show I could imagine with these little tots. I am very happy that my son took part with a lot of energy and excitement. He always expressed his happiness and eagerness to learn more throughout the practice session. I am very much hopeful that there will be more and more such events, BBPS Noida will organise in future which will help the children for their holistic development.

Good evening Ma'am,

We are grateful to be a part of Bal Bharti Family and writing to express our heartfelt gratitude for the outstanding class presentation event.

My daughter Abhita Rawat from Class PP-F, has been excitedly sharing how much she enjoyed the rehearsals and performance. Before the event day she consistently told me, "Our class is going to perform the best!" and practiced diligently, asking me daily to switch on YouTube for her rehearsals.

It was heartening to witness the significant effort from Kanika Ma'am, Khushboo Ma'am, and the entire team of teachers and staff. Their commitment was evident in the confidence and poise our children displayed on stage, Father of Abhita Rawat, PP-F

Dear Ma'am,

Thankyou for the eventful day with the class presentation They are few things that I really want to appreciate about today's class presentation-one is the timing just one hour and the way it was distributed through the classes it saved a lot of time for we saw as parents

It was well planned, to the point and well executed. Also I want to appreciate that school made it a point for each child to prepare and perform that instills confidence to each one of them to be on stage from an early age. I hope it continues with all the forthcoming events too, and from 1st standard onwards as well. Also even when my child was unwell.

Initially, Eva ma'am you took the last minute request for her to perform.

**Thankyou so much for all the efforts and support!!!
