ONLINE TIMETABLE AND ACCESS CREDENTIALS FOR CLASSES PRE-SCHOOL TO XII

Dear Parents,

In view of possible adverse weather conditions or other unforeseen circumstances, the school may need to switch to online teaching as per the directions of the district administration. To ensure continuity of learning, the online timetable for Classes Pre-School to XII has been uploaded on the school website: <https://bbpsnoida.balbharati.org/class-timetable/>

Access Credentials for Online Classes:

- Pre-School to Class V: Students have been provided with Microsoft Teams credentials.
- Classes VI to XII: Students have been issued Google Meet IDs for accessing their online classes.

Parents are kindly requested to save the provided credentials, including the passwords, for future use. It has been observed that repeated requests for password retrieval during online classes place unnecessary strain on the school office. Ensuring that these details are stored securely will help avoid disruptions and ensure smooth access to online sessions.

Important Guidelines:

- **The uploaded online timetable will be followed for the remaining session whenever the school transitions to online teaching.**
- Students must adhere to the schedule and actively participate in online classes.
- Please ensure that your child has access to the necessary devices and a stable internet connection.

We appreciate your cooperation in facilitating your child's learning experience. For any further assistance, you may contact the school office or the respective class teacher.
