Complimentary Economics masterclass in SRCC

Topper’s Edge in association with SRCC extended an invitation to Class XII Economics students of the esteemed institution, Bal Bharati Public School, Noida to attend complimentary Economics masterclass. The masterclass was conducted on 19th October, 2024 between 01:00 PM to 06:00 PM.

This was indeed an incredible opportunity for the enthusiastic students to interact with bright students of SRCC and well reputed faculty members. During the session students were provided with comprehensive insights into the

Economics syllabus, which proved to be invaluable for their upcoming examinations.

In addition to the masterclass, students toured through the SRCC campus, gaining first hand exposure to the prestigious institution. It is believed that this experience will be both academically enriching and motivational for our students.

FEEDBACK FROM STUDENTS:

The Economics masterclass at SRCC was both insightful and thought-provoking.

The speaker's ability to simplify complex economic concepts, combined with his captivating delivery, kept me engaged throughout. The interactive Q &A session was particularly impressive. It fostered a great environment for us to express our views, leading to a more

participative and lively discussion. The session also gave us the opportunity to experience one of the most prestigious commerce colleges, further inspiring us to excel in the future. Overall, the session was well-organized and managed. My only suggestion to the organizers for future events would be to provide some refreshments or snacks, as it would enhance the overall experience for the attendees.

On 19 October 2024, we had the opportunity to attend Economics Masterclass at Shri Ram College of Commerce (SRCC), one of India's premier institutions for Commerce and Economics.

Topper's Edge in association with SRCC organised this event and it was conducted by Mr Nishant Khaneja who is known for simplifying complex concepts into real world applications. The class focused on providing us with comprehensive insights into the Economics syllabus which will be valuable for the upcoming exams. The class comprised

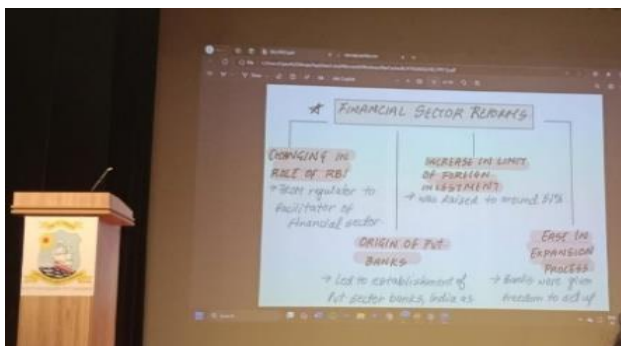

approximately 100 students, creating an interactive and engaging atmosphere. The session began with a structured lecture outlining the major themes in Indian Economics including GDP growth, inflation, and government policies. Throughout the lecture, we were encouraged to ask questions and share our perspectives. Mr Nishant's approachable demeanour encouraged participation, creating a space where we felt comfortable expressing our thoughts and understandings.

The class deepened my understanding of key economic principles and their relevance to the Indian context. This class exemplified SRCC's commitment to academic excellence and its role in shaping informed future economists. Overall, the experience reinforced my interest in the field of Economics and I hope to be a part of this prestigious institution next year.

Attending the Economics Masterclass at Shri Ram College of Commerce was an incredibly enriching experience. The speakers, Ojas Bhैया and Nishant Sir, not only shared their vast knowledge but did it in a way that was both entertaining and engaging, making the workshop enjoyable and never felt boring. The sessions were highly interactive, with participants encouraged to share their diverse perspectives enriching the discussions. The entire experience was fantastic and further motivated me to work harder towards achieving my dream of getting into SRCC.

Indian Economic Development - Revision

Attending the economics workshop at the top commerce college exceeded all my expectations. From the moment I arrived, the prestigious atmosphere was palpable, with the college's historic architecture blending seamlessly with cutting-edge facilities. The workshop itself was a deep dive into complex economic concepts, guided by expert faculty who effortlessly broke down advanced theories into relatable real-world examples. Every topic was dealt in an easy manner.

What truly stood out was the level of engagement of the students - participants were encouraged to question, debate and collaborate, which made the sessions highly interactive and insightful. Beyond the classroom, networking with students and professionals opened up new perspectives to learning. The entire experience was not only academically rewarding but also left me inspired and motivated to apply the knowledge gained to my own academic and professional journey in Economics.
