accompanied by Ms. Namrta Kaushik, Ms.
Deepti Mehra, Mr. Prateek Badola

Students at Bharat Shiksha Expo

To foster a culture of innovation, entrepreneurship, collaboration and seizing the chance to join the transformative journey towards a brighter and enlightened future, an educational expedition was organised for the students of Class VIII to Bharat Shiksha Expo on Tuesday, 12 November 2024.

Students solving puzzle

Though the expo was targeted for the students of Classes XI, XII and university students, the organisers planned a few activities for the young learners on the spot. They were asked to sit in groups and perform certain brainstorming and creative thinking activities like solving puzzles, creativity test and finding solutions to real life problems. Students presented their ideas in front of the judges and were rewarded with chocolates and souvenirs.

Students visiting stalls and enquiring about career opportunities

Students visited many stalls organised by universities like- Gautam Buddha University, Sparsh global business School, Ryan group of schools, GLA University, IILM Greater Noida, BIMTECH Greater Noida. They explored advanced educational opportunities and took guidance on careers, scholarships, and university applications.

The Expo highlighted the Noida International Knowledge Hub (NIKH) as a premier destination for education and business. It connected students with essential resources for informed decisions about International Studies.

BHARAT SHIKSHA EXPO 2024 aimed to empower students, inspire educators, and drive societal progress through the power of education.
