CLASS III
WINTER HOLIDAY HOMEWORK

Dear Students,

As the chilly winds usher in the season of joy, we wish you a warm and wonderful winter holiday filled with happiness and cheer.

To keep your minds active and engaged during the break, we have thoughtfully designed an integrated project and practice worksheets that align with the principles of the National Education Policy (NEP). The given project and worksheets aim to foster creativity, critical thinking, and holistic learning, ensuring that your academic journey remains both enjoyable and meaningful.

We encourage you to complete these worksheets in your notebooks, reflecting on the concepts you've learned and exploring them in new and exciting ways. Remember, this is your opportunity to blend fun with learning, embracing the spirit of growth and discovery even during the holidays. Submit your notebooks as per the following schedule:

Sr. No	SUBJECT	DATE OF SUBMISSION

WINTER HOLIDAY HOMEWORK(2024-25)
PROJECT

Theme: Cherishing the Old and Welcoming the New

1. Subject- English integrated with EVS and ICT

Topic- English (writing skills), EVS (communication and festivals), ICT (Powerpoint)

Language- English

Conduct an interview with a friend, inquiring about their New Year's Eve celebration. Specifically, ask them how they celebrated, with whom they celebrated, and what their resolutions are for the upcoming year.

Following the interview, create a PowerPoint presentation. This presentation should include the name of your friend and their responses to each of the three interview questions.

2. विषय- हिन्दी-महीने और लेखन कौशल

भाषा- हिंदी

प्रिय छात्रों आगामी जनवरी माह के साथ हम सभी वर्ष 2025 में प्रवेश कर नव वर्ष मनाएँगे।

नव वर्ष के उल्लास के साथ जनवरी से दिसंबर तक होने वाले त्योहारों में से प्रत्येक माह में मनाए जाने वाले किसी एक त्योहार का चित्र चिपकाकर वह जानकारी A4 साइज़ शीट पर लिखें।

---

3. Subject- Math

Topic- Resolution Tracker.

Just like your friend, you too must have New Year's resolution. Every new year we plan to adopt good habits to make our lifestyle better. Students will create a resolution tracker table to track 3 resolutions over 10 days (starting 01.01.2025).

Assign points for completion:

* Full completion- 5 points

* Partial completion- 3 points

* No completion- 0 points

At the end of 10 days, analyze your performance to determine:

- Which habit you need to focus on more.
- Which habit you performed the best in.

Students will do this activity on an A4 size sheet.

Sample Table

Resolution	01.01.25	02.01.25	03.01.25

English Practice Worksheet

Topics covered: **Prepared by: Ishu Chhabra**

1. Comprehension
2. Adjectives
3. Adverbs
4. Conjunctions

Instructions: Students will write questions as well as answers in their English notebooks.

A. Read the following passage and answer the questions that follow:

The Clever Monkey

A mischievous monkey lived in a jungle. He loved to play pranks on the other animals. One day, he saw a group of monkeys enjoying a feast of juicy mangoes. He wanted to join them, but he had no mangoes of his own.

The clever monkey spotted a pot filled with honey hanging from a branch. He quickly climbed the tree and dipped his tail into the honey pot. The honey stuck to his tail, making it heavy and sticky.

The other monkeys laughed at the silly monkey with the sticky tail. He tried to shake it off, but the honey just smeared all over him. Frustrated, he ran towards the river to wash off the honey.

As he ran, his sticky tail got stuck on a thorny bush. He struggled and cried for help. The other monkeys, who had been laughing at him, felt sorry for him. They helped him free his tail from the thorns.
From that day on, the naughty monkey learned his lesson. He realized that playing pranks could have unpleasant consequences. He became a much kinder and more helpful monkey.
