### *Heartiest Congratulations!*

I would like to extend my warmest congratulations to the entire team involved in the 14<sup>th</sup> Annual Production, "Barbie." The Annual Production was truly commendable, and I was impressed by the true professionalism displayed by the students.

From planning to execution, the event was well-managed, despite the slight delay due to GRAP-IV. The children delivered a performance that was at par with professional standards. I am attaching the remarks of the Chief Guest for your reference.

My heartfelt appreciation goes to the Director / Co-Director of the play, and all associated departments and supportive staff who contributed to the play's huge success.

While there is always room for improvement, particularly in terms of body language for an English play, I am confident that with time and practice, the team will excel in this aspect as well.

Once again, please accept my heartiest congratulations on a job well done.

I am delighted to share, Secretary, SMC and Chairman, SMC have also extended their warmest wishes and congratulations on the outstanding success of the play.

Best regards,

WE STAND COMMITTED TO SDGs

Dear Madam Principal, Dear Dr Asha ji,

I write to express my deep appreciation for the gracious invitation to the Presentation of the Annual English Play "Barbie The Musical" by the Bal Bharti Public School yesterday. I was deeply impressed by the hard work and commitment, not only of all the performers on the Stage but equally of the Director, the stage, sound and light personnel, all of who did a stupendous job in creating a most enjoyable and memorable spectacle.

I am deeply touched, indeed overwhelmed, by your warmth and gracious hospitality. My wife and I sincerely thank you for the wonderful gifts. They will keep reminding me of the delightful interaction and the substantive conversation, though brief, we had at your school.

I commend you for your energy and enthusiasm and most of all for your leadership which has brought your school to this pinnacle of excellence.

I look forward to being in touch and wish you good health, happiness and continued success.

Warm regards,

Ambassador Ashok Sajjanhar
