TESTIMONIALS

Congratulations to you and all the pre school teachers and support staff for today's event. It was very well organised and must commend Ms. Ghosh's efforts to get the parents to "make some noise" and for some of us "to get on the floor" as well.

Loved the way kids were under no pressure to be perfect in any which way but just to enjoy their time under the lights and on the stage!

What made it truly special was the thought behind this event and Ms. Passi linking it to the ethos of NEP about acquiring life skills and getting 100% of the kids to participate.

Look forward to more such fun events

I am happy to share that Arnav Jaiswal, who is studying in PP-A, is enjoying his academic journey every day. He had a wonderful time participating in the Adventure Day and Fashion Show activities organized by BBPS School Noida. Arnav had a lot of fun and performed exceptionally well in both activities. I would like to thank his class teacher, Payal Mam, for her constant support and guidance in helping him prepare for these events. Her dedication and attention to detail made a big difference in Arnav's performance.

These types of activities are not only fun but also boost Arnav's confidence and encourage him to try new things. I truly appreciate how Payal Mam takes activities seriously and always follows up with parents. Thank you for your continuous support and encouragement!

I am writing to express my sincere appreciation for the wonderful Retro Bollywood Fashion Fiesta that was organized for the students. Simran thoroughly enjoyed participating in the event and had a fantastic time.

* The costumes were absolutely stunning, and the effort put into the decorations was remarkable.

* The music selection was perfect and really added to the festive atmosphere.

* The students' performances were incredibly impressive, showcasing their talent and confidence.

* The overall organization of the event was excellent, ensuring a smooth and enjoyable experience for everyone. I would greatly appreciate your guidance and support in helping Simran become more involved in future class events.

Perhaps you could suggest some small roles she could take on initially, such as assisting with set-up or even introducing a guest speaker to improve her hosting skills.

Thank you again for organizing such a memorable and enriching event.

It was a fantastic opportunity for the students to learn about Bollywood history and express their creativity.

Sincerely,

Abhay Soni

I am Swati, mother of Dhaanvi. I would like to sincerely appreciate your hard work and dedication in organizing the ramp walk. The event's theme added so much joy and excitement for us as an audience.

As a parent, it was truly heartwarming to see the children perform with such confidence and enthusiasm. Watching Dhaanvi walk and dance on her own was a moment of pure pride and happiness for me.

Thank you, ma'am, for your effort, patience, and creativity in making this event so memorable.
