

SELECTION OF SECOND LANGUAGE AND SKILL SUBJECT FOR ACADEMIC SESSION 2025-26
APPLICABLE TO CL-VIII ONLY (2024-25)

Dear Parent,

As part of the curriculum planning for the academic session 2025-26, you are requested to indicate your preference for the following subjects for your ward in Class IX. Please carefully review the details below and submit the completed form to the Class Teacher no later than **14 Feb, 2025**.

Second Language

As per CBSE guidelines, students are required to study a Second Language in Class IX. Kindly choose between **Hindi and Sanskrit** as the Second Language for your ward.

Skill Subject

CBSE, in alignment with NEP-2020 and NCF-School Education, is committed to embedding skill(vocational) education as a vital component of the school curriculum. By integrating vocational skills at the school level, CBSE aims to bridge the gap between academic knowledge and real-world application, fostering students' readiness for future challenges and opportunities. The school aims to prepare well-rounded and future-ready students.

Students are thus required to select one skill subject as the Sixth Subject offered by the school:

a) Financial Market Management (FMM)

CBSE, in collaboration with the National Stock Exchange (NSE), offers Financial Market Management as a skill course. This course is highly beneficial for students to gain insights in Financial Literacy, help develop entrepreneurship skills and career avenues in banking and related fields.

Following are the details:

Class IX	:	Basics of Money Management
Class X	:	Introduction to Financial Markets
Fee	:	₹1,000/- per year (to be paid via cheque)
Certification	:	Joint certification by CBSE and NSE upon course completion.

b) Artificial Intelligence (AI)

Introduced by CBSE in 2018-19, this course aims to develop readiness for Artificial Intelligence and its applications. This course equips students with essential skills for emerging careers in technology.

Fee: ₹550/- per month

c) Information Technology (IT)

It is an important skill subject as it helps students develop the skills they need to succeed in a technology driven world. Also, it prepares students for careers in IT support, Software Development and Network Administration.

Fee: ₹550/- per month

Please Note:

If a student fails in any one of the three elective subjects (i.e. Science, Mathematics and Social Science), then it will be replaced by the Skill subject (offered as a 6th additional subject) and result of Class X Board Examination will be computed accordingly.

Also, if a student studies three compulsory subjects (i.e., Science, Mathematics and Social Science) and also chooses to study a Skill subject (offered as sixth optional subject), then the aggregate of best five including two languages (Subject 1 & 2) and the best three (from subject 3, 4, 5 & 6, including Skill subject) will be considered for calculation of percentage.

Children with Special Needs (CWSN) may opt one language and any four subjects including the skill subject.

Please indicate your choices for the Second Language and Sixth Subject on the attached form. The remaining five subjects will align with the CBSE scheme of studies for Classes IX and X.

We appreciate your cooperation in ensuring the timely submission of the form.

REQUEST : ONCE THE FINAL LIST HAS BEEN DRAWN, NO REQUESTS WILL BE ENTERTAINED FOR THE CHANGE OF SUBJECT, OPTED FOR.

Asha Prabhakar
(Principal)

CONSENT FOR CHOICE OF SECOND LANGUAGE & SKILL SUBJECT

Name of the Child :ClassSection

Second Language Preferred (Hindi/Sanskrit) :
