

## Laying the Foundation for a Brighter Tomorrow: Excellence in Early Childhood Education

Bal Bharati Public School, Noida (BBPSND), is a leading institution in Noida, Uttar Pradesh, known for its focus on overall student development—physical, spiritual, social-emotional, and cognitive. The school has been ranked second in the Times School Survey for two consecutive years. It benefits from the rich legacy of the Child Education Society (CES), which has been shaping education for over eight decades, under the leadership of Mr. Nikhil Channa, President of CES. BBPSND places great importance on Early Childhood Care and Education (ECCE) to support well-rounded growth in young learners. The school follows an age-appropriate curriculum with innovative teaching methods, aligned with the National Education Policy (NEP) 2020 and National Curriculum Framework for Foundational Stage (NCF FS) 2022. This competency-based approach caters to individual learning needs and encourages hands-on experiences, ensuring that students gain essential knowledge, skills, and a love for lifelong learning.

### MULTIFACETED LEARNING IN ACTION! FROM NUMBERS TO NATURE, WE EXPLORE IT ALL.

The school is committed to the holistic development of early learners through the Pancha-Koshiya Vikas approach, which focuses on physical, spiritual, social-emotional, cognitive, and aesthetic growth. This is achieved through well-planned activities, high-quality learning materials, and a safe, modern infrastructure.

### BRINGING STORIES TO LIFE THROUGH ART, MUSIC, AND DANCE!

In the foundational years, the classroom environment is designed to be engaging and enriching. Students explore their curiosity through interactive experiences and goal-oriented field trips that help them connect learning with real life. Circle Time sessions encourage self-expression and teamwork, while dedicated Learning Centres give children the freedom to make choices and take ownership of their learning. The use of Montessori Apparatus helps build early literacy and numeracy skills through hands-on activities that also develop motor skills. Storytelling, toy-based learning, puppetry, art, and sports activities further enhance their overall development, shaping them into confident learners, effective communicators, and skilled performers who contribute positively to society.

### EXPLORING, LEARNING, AND GROWING WITH MONTESSORI MAGIC!
