Dear Parents,

As the warmth of summer beckons, we are delighted to announce the commencement of summer vacation for our students. The classes from Pre-school to VIII will embark on their summer break starting May 16, 2025.

This year's summer camp promises to be an unforgettable experience, meticulously crafted to provide a delightful blend of engaging creative and sports activities. Our aim is to transform the break into a fun-filled and enriching experience that will leave our young learners beaming with joy and confidence.

Following the tremendous response and enthusiasm from our students in previous years, we have planned an array of innovative activities designed to enhance their skills and ignite their creativity. Our summer camp is a testament to our commitment to providing holistic education that goes beyond the classroom.

Our summer camp offers a plethora of benefits for young minds. It provides a unique opportunity for children to stay physically active, mentally sharp, and creatively inspired. Through a diverse range of activities, our camp fosters confidence, essential skills, and a joyful learning environment that nurtures the overall development of our students.

In line with the National Education Policy (NEP) 2020, our summer camp activities are carefully curated to promote holistic growth, creativity, communication, observation, and curiosity. We are committed to providing our students with experiences that inspire them to learn, grow, and thrive.
