

WORLD BOOK AND COPYRIGHT DAY : 23 APRIL, 2025

"A book is a dream that you hold in your hand." – Neil Gaiman

World Book and Copyright Day is celebrated on April 23, the date holds great symbolism in the realm of world literature, serving as a poignant reminder of literary luminaries like William Shakespeare and Miguel de Cervantes and Inca Garcilaso de la Vega. The theme for World Book Day 2025 is "Read Your Way," which encourages individuals to explore books in a way that resonates personally with them. The theme aims to inspire a love for reading by allowing everyone, especially young readers, to choose books that spark their imagination and curiosity, fostering a lifelong passion for literature.

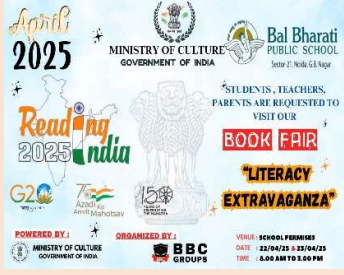

Let's come together in celebration of World Book Day, inspiring a world where everyone has the chance to explore, learn, and grow through the power of books.
