GEN AI : THE NEW CLASSMATE

Bal Bharati PUBLIC SCHOOL
Sector 21, Noida

Dear Principal,

It is with great pride and joy that I welcome all the young innovators to our Inter-School IT Fiesta — Oxamite V 4.0, a vibrant platform that celebrates creativity, critical thinking and collaboration through the lens of Artificial Intelligence. The theme being "Gen AI - The New Classmate".

In alignment with the vision of the National Education Policy (NEP) 2020, this fest aims to foster 21st-century skills such as problem-solving, digital literacy, and experiential learning. Events like AI-based challenges, meme creation, and real-world tech problem-solving are not just competitions — they are opportunities to think beyond textbooks and become future-ready learners.

NEP 2020 envisions an education system rooted in flexibility, curiosity, and innovation and this years' Oxamite is a step in that direction.

I encourage each participant to embrace this journey with enthusiasm and open minds.

Let your ideas speak, your skills shine, and your learning be limitless!

With warm regards,

Ms. Asha Prabhakar
Principal, Bal Bharati Public School, Noida
