

SCOUTS & GUIDES ORIENTATION

We are pleased to introduce the Scouts and Guides Club at our school for students of Classes I to X, in collaboration with Hindustan Scouts and Guides. This initiative aims to contribute to the holistic development of our students by nurturing their physical, mental, and spiritual well-being.

In today's dynamic world, it is essential for children to build resilience, responsibility and a strong sense of social commitment. Through a wide array of enriching activities—ranging from community service, environmental conservation, and adventure tasks to yoga, all-faith meditation and vocational skills—this club will instill values such as patriotism, discipline, teamwork, leadership and empathy.

Joining the Scouts and Guides Club will empower students to grow into confident, conscientious, and capable individuals, ready to contribute meaningfully to society.

The school is organising an orientation session for students enrolled in Scouts & Guides (Classes I to X) on Tuesday, 06 May 2025, from 10:00 a.m. to 12:00 noon.

Programme

1. Welcome Address by emcee
2. Address by the Vice Principal
3. Address by the National Head – Hindustan Scouts & Guides
