**ENROLMENT FOR STANDARD CLUB**  
**(Under the aegis of Bureau of Indian Standards (BIS))**

Dear Parent,

Bureau of Indian Standards (BIS) is the National Standards Body of India, functioning under the Ministry of Consumer Affairs, Food & Public Distribution. It is responsible for the development of standardization, marking, and quality certification of goods to ensure product safety, reliability, and quality. To foster scientific thinking and create awareness about the role of standards in everyday life, the Standard Club of the school is inviting students of Classes IX and X (with a strong interest in Science) and Classes XI and XII (Science stream) to register for the Standard Club.

**Activities of the Standards Club include:**

- Participation in Science-based activities and projects
- Guest lectures and sessions by BIS professionals
- Field visits to industries and laboratories
- Involvement in awareness campaigns and quality standard initiatives
- Hands-on learning of National and International standards
- Participation in competitions and quizzes conducted by BIS.

**Benefits of Joining:**

- Enhanced scientific knowledge and critical thinking
- Exposure to real-world scientific and quality control processes
- Certificate of participation from BIS
- Opportunity to take part in BIS events and programs at regional/national level

Interested students must contact Ms. Rakhi Kumari, TGT-Physics (Mob 8281580690) latest by 26.05.2025.
