

## **REPORT ON THE WORKSHOP “JOY OF DOING PHYSICS”**

*"Feel the Force, See the Light — Discover the Joy of Physics!"*

**Workshop Date: 20.05.25, Wednesday**

**Venue: Bal Bharati Public School Noida, Auditorium**

A stimulating Physics workshop titled “*Joy of Doing Physics*” was organized by the BBPS Noida Anveshika Resource Centre on 20th May 2025 in the school auditorium. The session was conducted by Ms. Pragya Nopany, (Coordinator BVN IAPT Anveshika), a seasoned and passionate educator renowned for her innovative approach to teaching Physics.

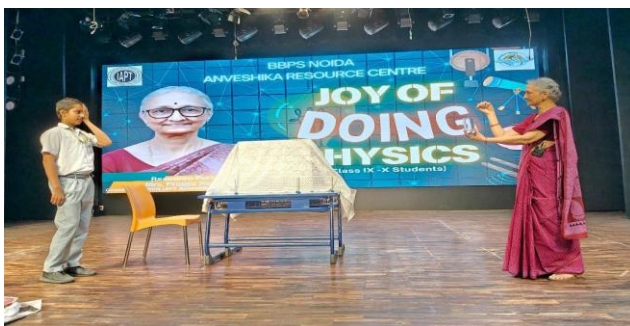

A gracious welcome by Principal Ms. Asha Prabhakar to Ms. Pragya Nopany — a confluence of minds dedicated to education and innovation.

Mrs. Pragya Nopany demonstrating an experiment — bringing science to life through hands-on learning.

These hands-on activities helped simplify complex concepts and made abstract ideas more tangible and enjoyable. Students were deeply engaged throughout the session. They eagerly participated in discussions, posed insightful questions, and explored the real-world applications of theoretical principles.

The workshop took place from 10:00 AM to 12:00 noon and witnessed enthusiastic participation from students of Classes IX and X. Focusing primarily on the topic of Optics. Ms. Nopany demonstrated a series of interactive and thought-provoking experiments, like Coin drop with one eye close, Tracking the path of the light, Total internal reflection, Shadow formation with the lens and many others.

Demonstration and interaction — seamlessly side by side, engaging minds in motion.

**Conclusion:** The interactive nature of the workshop fostered a deeper understanding and appreciation of Physics among the attendees. The event concluded with a heartfelt vote of thanks, acknowledging Ms.Nopany for her inspiring session and the organizers for facilitating such an enriching experience. The workshop successfully infused a sense of curiosity and excitement in students, truly reflecting the joy of doing Physics.
